Agendas:

2. Dissolving of Namo’Aporo Investment Limited (NIL)

Agenda No. 1: Power of Attorney/Trust for First Heritage Centre (FHC), Volume 94 Folio 7, Allotment 3 Section 427, Hohola – National Capital District Title

Mark Sakai, Chairman of Namo’Aporo Landowners Association Inc. (NLA) and Chairman of the meeting explained that the purpose of the meeting was in three (3) folds as outlined below:

1. **Purpose**
   1.1 First Heritage Centre, Volume 94 Folio 7, Allotment 3 Section 427, National Capital District Property requires urgent maintenance to match the surrounding developments and attract tenants to fully occupy the property to start making favourable returns to up-keep the property, add value and pay dividends.

   1.2 First Heritage Centre, Volume 94 Folio 7, Allotment 3 Section 427, Hohola, National Capital District Property needs to settle all its outstanding bills to goods and service providers including payouts for the current NLA Management Committees and NIL Directors.

   1.3 First Heritage Centre, Volume 94 Folio 7, Allotment 3 Section 427, Hohola – National Capital District Property needs to restructure management of the property and establish systems and controls to control costs and have prudent governance in place for the management of the property.

2. **Issues**

2.1 Attempts to get Petroleum Resource Kutubu Limited (PRK) and Mineral Resources Development Company Limited (MRDC) to utilize Future Fasu General Trust Fund (FFGTF) and Fasu Community Trust Fund (FCTF) to fund the above three (3) proponents was rejected in a PRK Board Meeting held on the 7th of September 2016. PRK/MRDC asked that the property title be transferred to PRK/MRDC trust and Mark Sakai refused because before the Oil & Gas Act was enacted, NLA Management (Chairman, Secretary & Treasurer) and Secretary for Department of Petroleum & Energy (DPE) were the Trustees by virtue of their respective positions in NLA and DPE. After the Oil & Gas Act was in place PRK/MRDC became Trustees. Thus, Mark Sakai strongly rejected PRK/MRDC’s request and reiterated that the property comes under his trust as he was the signatory to PDL2 Kutubu Project MOA 1996 and Trustee before the Oil & Gas Act was enacted and continue to hold position as Chairman of NLA currently.

2.2 Commercial Banks have tough requirements and with the status of the current NLA Management Committee and NIL Directors who have no fixed income,
Commercial Banks will not agree to loan any funds to finance the three (3) proponents as listed earlier/above. See example BSP requirements.

2.3 Mark Sakai as Trustee cannot continue to personally find money on an ad hoc basis to maintain the Property, finance NLA Management Committee and NIL Board Meetings, as it’s a massive burden or pressure on him personally.

2.4 The Property was to be put on sale as resolved previously, however with the current deteriorated condition no one is interested to buy at the price of K25m as approved in previous NLA Management Committee and NIL Board Meeting on the 18th of July 2016.

2.5 If the property was going to be disposed or sold then it will be sold at a much lower price than the initial purchasing price of K10m and will be making a big loss.

2.6 HLB Niugini as the manager of the property accounts have not updated the financial records and to date, Mark Sakai said he was not able to table the financial reports. Attempts to get the reports have been to no avail maybe due to the fact that the person in charge within HLB Niugini has left to contest the 2012 election and he is now the Member for Parliament.

3. **Action**

3.1 The option available is to keep the property and raise the required funds of K10m to finance the three (3) proponents referred to above to bring the property back to a safe and attractive investment.

3.2 In order to fully achieve 3.1, NLA as shareholder of NIL, NIL Directors need to pass a resolution and transfer the title of First Heritage Centre, Volume 94 Folio 7, Allotment 3 Section 427, Hohola – National Capital District to Mark Sakai as the only Trustee and signatory to PDL2, Kutubu Project MOA 1996 under an Irrevocable Power of Attorney who is able to raise the required finance of K10m to finance the three (3) proponents.

3.3 Once the title of the property is transferred to Mark Sakai as the only trustee and signatory to the PDL2, Kutubu Project MOA 1996, NIL will be dissolved and NIL Directors will be paid out and continue as Executive Committee Members of NLA.

3.4 All current liabilities of First Heritage Centre, Volume 94 Folio 7 Allotment 3, Section 427, Hohola, National Capital District be borne by Mark Sakai.

Resolution 2:
Motion Moved: Donald Wasai
Motion Seconded: Sakai Kei
Action: First Heritage Centre (FHC), Volume 94 Folio 7, Allotment 3 Section 427, Hohola – National Capital District Title be transferred to Mark
Sakai as the only Trustee and signatory to PDL2, Kutubu Project MOA 1996 under an Irrevocable Power of Attorney to be signed by the Public Officer/Secretary of NLA and witness by a Commissioner of Oath. And Mark Sakai in his own ability and capacity raise K10m from any commercial bank to finance the three (3) proponents.

Resolution 2.1:
Motion Moved: Arson Kakia
Motion Seconded: Joe Sosoro
Action: Kuna Taberia Kiruwi Accountants be appointed Manager of the Property.

Resolution 3:
Motion Moved: Toresa Wamosae
Motion Seconded: Arson Kakia
Action: Subsequent to the transfer of title to Mark Sakai Nam’Aporo Investment Limited be dissolved forthwith and current NIL Directors be paid out and continue to serve as Executive Committee members of NLA accept DPE and other representatives.

Resolution 4:
Motion Moved: Joe Sosoro
Motion Seconded: Arson Kakia
