Attention: Mr. Cevalala

Dear Secretary,

RE: PURCHASE SUPPLY OF COVID - 19 PCR DETECTION AND EXTRACTION TEST
KITS FROM NPT INTERNATIONAL LIMITED

I write regarding the above mentioned and to further deliberate and confirm as per our
discussion on the 23/3/2020 evening for the urgent need of PCR and rapid test kits
at this time.

Please have the attached invoice paid out in full so test kits can be readily available in our
country to be distributed strategically well into provinces at the earliest for COVID - 19
and to ensure emergency operations urgently, as it is of great concern that NDOH
essential equipment to be utilized by our citizens throughout the country so
individuals can identify their Covid-19 status and exercise the set procedures to prevent
spread of the virus in a 14-day period of shut down and into the future.

I thank you for your continuous support as we stand together in this
difficult time of COVID - 19.

Jelta Wong
