Attention: Acting Secretary - Dr. Dakulala
Dear Secretary,
Subject: 50,000 UNITS OF COVID-19 MEDICAL EQUIPMENT SUPPLIES

Please refer to the attachments for details and amount to pay for COVID-19 supplies.
I grant approval to the supplier due to this State of Emergency being extended for further two months period, we will be required to facilitate all COVID-19 preventative measures in provinces so it is of importance that NDoH has the maximum required stock due to the raise in the global shortage.
Thank you for your attention I await your response and actions.

Yours sincerely,

Hon. Jelta Wong, MP
Minister for Health & HIV/AIDS
