27th August 2020

Hon. Kerenga Kua, MP
Minister for Petroleum and Energy

My dear Minister,

RE: KONEBADA PETROLEUM PARK AUTHORITY (KPPA)

In light of recent thrust by the Central Provincial Government to have KPPA as its business agency, and my view for empowering provincial governments, I am thinking of restructuring KPPA as a Central Provincial Government vehicle to enable its participation in business economic activities including petroleum and mineral projects where possible.

It is in this view that I am transferring Konebada Petroleum Park Authority (KPPA) into my care.

Yours sincerely

HON. JAMES MARAPE, MP
Prime Minister
